WISH to announce, that we have located, and will conduct for the next month or six weeks, one of the most thorough and complete dressmaking schools ever brought to this vicinity. We have expert teachers of experience. They are a success in this line of work. They know how to go about it to make you an artist in decorating the feminine figure, this trade will be of endless value to you as long as you live. There is no other concern of this kind, so well prepared to teach this trade as we are. No system in this country is

secomplete and so elaborate at the Garment Cutter. You can not afford to miss this opportunity, you are not likely to have this chance again right at you own home.

We Refer You to the Following Ladies of Logan and Vicinity

Who have taken this system and are now completing their course of instructions, in drafting, cutting and fitting all garments worn by Ladies, Gents and children, in a scientific and accurate manner. We guarantee satisfaction. You are at liberty to call on any of the e ladies, and they will inform you whether or not our system and teaching are what we represent them to be. They are all in the Logan school.
